Dear Posey:

First of all I just received the league schedule for the second half, and I see they have listed the game in Newark August 17th between The Eagles and Grays as a league game. We had planned it as an exhibition. Please send me confirmation of the date right away.

Also send me confirmation of the games August 31st in Altoona, and July 1st in Johnstown. Please send time of games, who to send lineup and publicity to etc.

Very Truly Yours
